

FBS APPAREL

**HEADWEAR  
LOOK BOOK  
2018**

“ In 1860 the Brooklyn Excelsiors wore the ancestor of the modern rounded top baseball cap which featured a long peak and a button on the top, and by 1900 the Brooklyn style cap became popular world wide later in the 1900s the trucker cap was also made popular by American truck drivers. FBS Apparel brings you this age old headwear style with a South African street wear twist.”

“ The visor caps consist only of a peak  
and a brim it has no top cover  
this style of cap originated in the late  
1900s in America and was worn  
by the upper class golf players  
of the time to protect from  
direct sunlight on the Golf course  
FBS Apparel brings you this style  
of cap with a new  
modern  
age design.”
